

Keeping College Kids Connected Program
Info/Registration Form

Dear Parishioners & College Students: The Immaculate Conception Council of Catholic Women (ICCCW) participates in a national campaign designed to maintain and strengthen a loving and nurturing Catholic connection with the students of our parish who attend college away from home. Our members assist with the parish send-off, and communicate with the students while away. Children of parishioners who desire to participate will receive mailings two times each semester. These mailings will contain personalized correspondence to include some of the following: a letter of warm thoughts, prayer cards, updates on parish activities, acknowledgement of special events, notes of encouragement, and small monetary gifts (\$5 value).

To participate simply complete the survey below and return it via the collection basket or the Parish office. The program begins each August and runs through May. Students may join at any time during the year, but must re-register each August to ensure we have correct mailing information. Students may withdraw at any time by contacting the CCW. We look forward to helping you stay connected. ☺

Dear Student,

The ladies of the Immaculate Conception Council of Catholic Women (ICCCW) would like to help you stay connected with the parish as you attend college. This is a voluntary program and requires you to sign up. Two times per semester you will receive a personalized mailing from one of our members to let you know you are missed and the parish is thinking about you.

Please complete the following questionnaire and drop it in the collection basket. (A parent can complete the questionnaire for you with your permission.)
