- **We will be doing a St. Vincent De Paul Collection for the month of Dec. Please drop off your donations in the entryway!**

What Are We Learning?

- **2nd Grade** On November 15 we focused on forgiveness in class by completing chapter 11, and in church. Father Steve put the kids at ease about receiving this sacrament, and guided us through the procedure of making a confession.
- **3rd** We continued learning about the Old Testament and the story of Moses. Moses is the prophet most mentioned in the New Testament. Moses freed the Israelites from enslavement in Egypt. We also learned what a Saint is and what qualities a person must have to become a saint. There are over 10,000 saints our church has named. Ask your child the difference between a saint and an angel.
- **K** Last week we read Matthew 3:13-17 and learned that Jesus was baptized by John the Baptist. We learned that when we were baptized, we became part of God's family, the Church.
