Fifth Sunday of Lent

Ezekiel 37:12-14

Romans 8:8-11

John 11:1-45

In the Gospel account on the Fifth Sunday of Lent, the Raising of Lazarus, we begin to understand, alongside the disciples, that Jesus truly does have power over life and death, and that we can trust his promise of eternal life. We also see Jesus in deep sorrow, a very human experience. As we wrestle with the themes in this past Sunday's scriptures, of mortality, resurrection, despair and belief, we are invited to pray about what dreams and hopes are yet to be made known to us.
