Important Dates

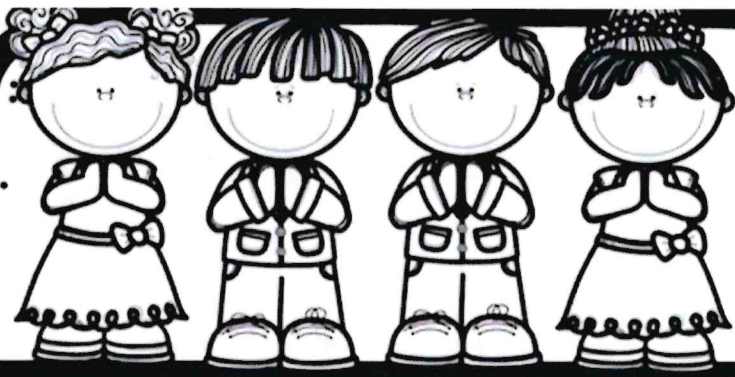

- May 1st Confirmation
- May 8th Last PSR day

Reminders

- Just a reminder on May 1st there is no PSR class, just Confirmation!

What Are We Learning?

- 1st We reviewed what happened over Lent and discussed the Resurrection. Only Jesus could rise from the tomb and show his followers that there was life after death.
- 3rd We learned what the Road to Emmaus was and how Jesus is always with us, even we don't realize it. He can help us through our struggles. We played our annual baseball game with the Striking Saints winning over the All-Star Angels. This is a game played and bases run for each correct answer on what the students have learned throughout this year. This class is amazing!
- 8th This week we will spend some time reviewing what will happen on the day of Confirmation, how to speak to Bishop McGovern, information the candidates can share with their sponsors, how the sponsors support them, etc. The candidates have been preparing for Confirmation officially since Ash Wednesday 2022, and unofficially since each was baptized. Now it's time for a practical run-through so that their actions at that sacramental Mass can reflect what's been stirred up in their souls.

Faith Reflection

Sunday, April 14, 2024
Third Sunday of Easter
Acts 3:13-15, 17-19
1 John 2:1-5a
Luke 24:35-48

In this past Sunday's Gospel, we heard another story of how Jesus made his resurrection known, by sharing his wounds and sharing a meal. As Jesus comes, he offers peace and a message of repentance and forgiveness. Forgiveness for us is central to embracing the life of the risen Christ. It frees us to live with compassion and joy, sharing our own vulnerabilities and welcoming everyone to our table. How we live our lives becomes our testimony to the Resurrection.

Good News!

Congratulations to our First Communicants! We were so pleased to welcome Mrs. Debbie Row's and Mrs. Barb Greenfield's classes to the Table of the Lord last Sunday afternoon. We pray that every Eucharist becomes even better than their first!
