Every family has a unique identity that is defined by the behaviors, attitudes, and expectations that govern a family's daily life. This identity is influenced by the family history of the parents, but each family's expression of this history is unique. In today's Gospel, we learn that Jesus' behavior, attitudes, and expectations were governed by his identity as God's beloved Son. In our Baptism, we were made children of this same heavenly Father. This identity as members of the family of God, and as brothers and sisters of Jesus, also shapes our family's daily life.
