## Faith Reflection

### First Reading

Exodus 3:1-8a,13-15

### Second Reading

1 Corinthians 10:1-6,10-12

### Gospel Reading

Luke 13:1-9

We might know about the growth of spring flowers. Perhaps we have looked at a dry, brown flower bulb and wondered how this produces the colorful tulip or daffodil blossom that we expect to bloom in the spring. Perhaps we've even thought about the patience and hope that are required to plant flower bulbs in October. We don't have to be gardeners, however, to know about patience and hopefulness. As parents, we practice these virtues each day with our children. We may become frustrated and even angered by their willfulness and lack of cooperation. Yet we continue to offer our attention and guidance in hope that one day our efforts will bear fruit. Today's parable suggests that God is like that with us, working with us in patience and in hope that one day we will show evidence that such work is not in vain. As parents, we know God's kindness when we find evidence for our hope for our children. Does God find such glimmers of hope as he works with us?
